- iv. Coaches to train members on how to check boats before and after each outing. Decision to start with outing leaders first Coaches
- v. Barbara to circulate to the committee members the list of requirements we need to fulfil to extend the insurance policy to cover the abuse of children or vulnerable adult. BG

FINANCIAL REPORT

- i. The club currently have 35 fully subscribed members
- ii. The paperwork for electronic banking has been drawn up and need a signature from either the chairman or secretary MC/DW

AWARDS FOR ALL

- i. It has been confirmed that the lasers meet the requirements of the grant and that the money can be spent on other items and not necessarily an adaptive 4+
- ii. Alan, Mark and Nic have compiled a list of spending priorities and it was agreed that the money should be spent on the sculling blades, trailer, personal floatation devices, pontoons (floats which can be attached to the riggers to have a similar affect as stabilisers) and Jason's single sculling boat. These purchases will help improve the club, allow people with

- disabilities to join the club and help with Nic's proposed business plan
- iii. A rescue boat is one of next priorities on the spending list. A boat meeting all of the ARA requirements cannot be launched from Archbrook and the club require a smaller boat. The use of rescue boats at other clubs to be investigated and at the next meeting a plan on using the boat would be agreed. Alan and Brian to view a possible boat and feedback at the next meeting AG/B
C

COACHING REPORT

- i. Nic is currently working on criteria of what people to achieve to meet basic, intermediate and advanced status so that they can take a boat out when it is not a club outing. This is to be feedback at the next meeting NB
- ii. The coaches are a scare source in the club and currently finding it a challenging period to ensure all club members are getting an equal amount of coaching during club outings. Coaches to revisit the coaching strategy and feedback at the next meeting Coac
hes
- iii. The club have been successful in an application to WEARA for Sallie Malt, a coach mentor to work with the club. Mike to circulate to all club members the details of the agreement the club has signed to work with Sallie MC

BOAT CAPTAIN REPORT

- i. The racking has been repaired. Patrick is hoping to put the racking up on the back wall soon.
- ii. There is one laser and Stacey which repair.
- iii. Elizabethan lady is currently having repairs from Patrick and Nic PG/N
B
- iv. Once the materials and equipment are in place, Patrick to arrange a working party date for the boat house PG
- v. Members thanked Patrick for the improvements which he has made to the boat house

RELOCATION PROJECT

- i. Currently the club is still considering the options of the different sites and no decision has yet been made.
- ii. Nic and Mike to have an exploratory meeting with river Teign rowing club about the possibility of forming a partnership NB/
MC

KIT ORDERS

- i. The kit has arrived and members are pleased with the quality and fit of it. Members do need to be aware that the kits should only be washed at a maximum of 30 degrees.

- ii. There will be another order placed in October, members to ensure they have sent details to Jacinta if they require some items
- iii. The club will place an order so that when new members join the club they may be able to purchase a T-shirt immediately and not wait until an order is placed. Jacinta to feedback at the next meeting what she feels the club should order and the sizes JJ
- iv. Members thanked Jacinta for her work in ensuring the club has a good quality kit

INDUCTION PROGRAMME

- i. The induction programme is now available from the home page of the website. An email to be sent to club members to inform them the induction programme is now available and will need to be completed BC
- ii. Brian has produced A5 booklets which each club member will receive. Details on how this will be completed will be agreed at the next meeting BC
